ABOUT THE COUNCIL

Since the time immemorial, the compassionate mother cow has been engaged in the service of human civilizations. Apart from physical, mental and spiritual development of human beings, the contribution of cow progeny in there is an outstanding fields of agricultural production, environmental protection, and social empowerment. Our incarnate men, saints and sages established the cow as an ideal 'mother' for the overall welfare of human beings. Undoubtedly, cow is the other mother and its nectar milk is important for farmers as well as the brave soldiers defending the nation at the borders. **Maharishi Vashistha Institute of Gaushala Management & Research Council (MVIGMRC)** was established and registered with the government on February 09, 2022 to serve the organizations and individuals who have been rendering their services for animal welfare specially the cows. The Council intends to develop itself as educational, training, research and consultancy organization in the domain of Gaushala Management, professional empowerment and environmental conservation.

Inspired by a visionary leadership of world famed **Hon'ble Prime Minister, Shri Narendra Modi and his dynamic team of Hon'ble Ministers**, India has become a bright spot in the world. There is a sense of socio-economic safety and security even among the rural masses. As a supporting efforts, **MVIGMRC (Registered No. 393590) with the Ministry of Corporate Affairs Govt. of India under Section 8 of the Companies Act 2013, CIN No. U85300DL2022NPL393590, PAN No. AAPCM 4492C, Regd. with NITI AAYOG)** also aims to provide an ideal platform the rural youth especially women to become self-reliant and get job in village itself. Organization opens new avenues for education skill development, employment, entrepreneurship, animal management with veterinary and medicine system, rural MSME's and startups, organic farming, dairy management and 'Waste to Wealth' techniques.
