Building Future Ready 'New Gen.,' Reaching Marginalised Rural Groups...

A Council with a Difference...

India's world acclaimed 'Sanatan Sanskriti' symbolizes several divine entities for global natural harmony, peace and prosperity. These include **Ganesh, Guru, Gayatri, Gita, Gau (sacred Kamdhenu), Ganga, Tulsi**, etc. These elements are always found vital source for positivity, strength, resilience, beauty, purity, fertility, prosperity, eternity and balance in life. Since the time immemorial, the compassionate 'Mother Cow' has been engaged in overall empowerment of human beings and the sustenance of entire ecosystem on the Earth. Apart from physical, mental and spiritual development of human beings, there is an outstanding contribution of the cows and other animals. Our incarnate men, saints and sages, agri-scientists and veterinary experts established the cow as an ideal "Mother" for the overall welfare of human beings. Its nectar milk is a complete nutrition for all even for poor farmers as well as for the brave soldiers and policeman who are always ready to sacrifice their lives for a **Secured Bharat** internally and externally. Almost all religions in the world advocate that the "cows" should be considered as celestial gifts to the human beings and their protection must be the first priority of the people. **Save the Indian bovine to the Save the Planet and Humanity.**

Inspired by the **Hon'ble Prime Minister Shri Narendra Modi** and his dynamic team in the Centre/States, **Maharishi Vashistha Institute of Gaushala Management & Research Council (MVIGMRC)** was established to strengthen Gaushala and dairies all across the country. The Council was registered with the **Ministry of Corporate Affairs, Government of India on Feb 09, 2022**. With support of Centre/State bodies, the Council intends to develop itself as a premier institution of education, skill development training and consultancy in the fields of Gaushala and Dairy Management, Professional empowerment and environmental protection. **Realizing adverse effect of hybrid seeds and animals, threats to Indigenous Indian breeds existence breed of cows and other animals, nutritional deficit to a large number of rural people and corruption in care and cure of the animals, the Council has come forward to standardize the management Gaushala and Dairy through interface of the ancient wisdom and latest A-I Technologies (Insemination/ Intelligence).** The Council is carrying forward its ambitious project of **Maharishi Vashistha Gau-shaktipeeth**. It aims to provide an ideal platform for growth of rural masses through education, self-employed, R&D, increasing farmer's income and food security, animal management, veterinary, care and cure to animals, organic farming and eco-energy conservation.

The Council seeks meaningful support of the Department of Animal Husbandry & Dairying (DAHD), Government of India is driving sector growth through new 2026-27 initiatives, including credit-linked subsidies for private veterinary infrastructure, Mobile Veterinary Units (MVUs), and the 'Pashu Aadhaar' unique digital ID for livestock. Key focus areas include breed enhancement under the National Livestock Mission (NLM) and disease eradication and infrastructure development.

Mission

Establishing a role model of the Maharishi Vashistha Gaushaktipeeth for sustainable rural development, through ideal animal management conservation of eco system. It also aims to replicate this model through the construction all across the country by integrating the latest AI -Technology (i.e. Artificial insemination/intelligence) along with artificial traditional wisdom. Each Gaushaktipeeth will serve as a hub for innovation through future ready laboratory, livelihood, creation, and socio-economic and cultural upliftment generating millions of employment opportunities for rural youth and empowering communities across the world.

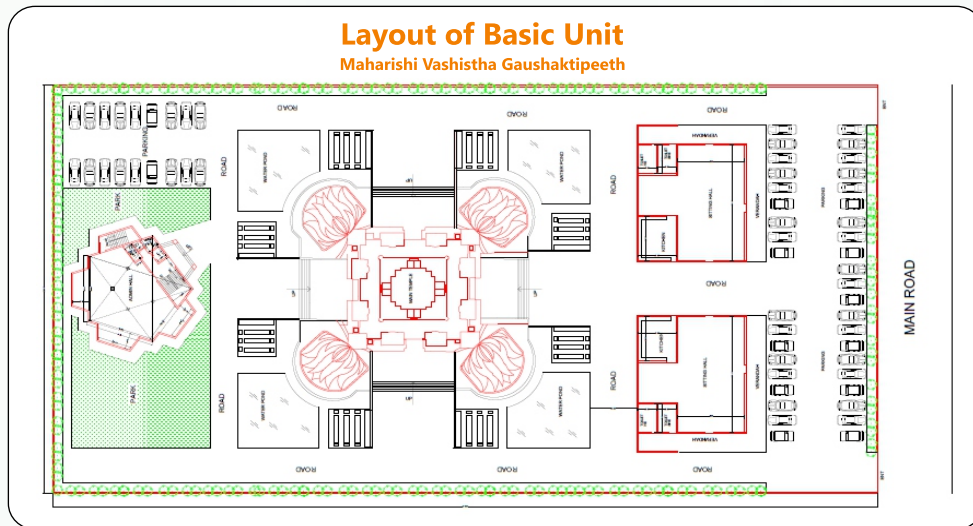

International National Conference on Gaushala & Dairy Management with AI Technologies;

Fulfilling the aspirations of millions of people including a large number of landless farmers, the Council has taken a resolve to hold a series of exclusive **National Conferences on “Excellence in Gaushala and Dairy Management with AI- Technologies”** all across the country. The event will be organized in all States/UTs with support of the international organisations, Centre/State Ministries & Departments, Agriculture Universities, and Veterinary Institutions R&D Centres and PSUs, Councils, Boards, trade and industry, Confederations, Federations, Associations, Gram Panchayat, Farmer bodies, Co-operatives/FPOs, woman organizations, NGOs, Self-Help Groups, cultural bodies, Media houses and individuals, etc.

Iconic Maharishi Vashistha Gaushaktipeeth Project:

The Council seeks support from all stake holders. MVIGMRC is carrying forward its ambitious project of Maharishi Vashistha Gaushaktipeeth. It comprises of setting-up a conducive infrastructure along with a **divine abode of “Ram Sudarshan Mandir”**, Gaushala and Dairy Management Skill Development Centre. AI (Artificial Intelligence/ Insemination) Laboratory, Veterinary Hospital, A2/ A1 based whey protein and dairy plant, cellulose extraction plant, Kisan Kalyan Kendra, Exhibition & Convention Centre, R&D Pharma Lab, Herbal Park, World Class Gaushala with Rashtriya Kamdhenu Museum. The entire project will be set-up with the interface of eco-friendly and intelligent buildings, bio-gas plant, solar power, zero-waste innovation technologies. The Council strives for the “Organic Revolution” its organic based products and services under a newly launched brand i.e. Gauca Organics. A dedicated **Showroom** for its brand is located at AIPL Joystreet Sector 66, Gurugram.
